COLE ASSOCIATES CORPORATE FINANCE ADVISES ON £30 MILLION FOOD SECTOR MANAGEMENT BUY-IN

Jeremy Cole and David Middleton have advised a management buy-in team on the acquisition of a £30 million turnover food manufacturing business which supplies the leading supermarket chains and food service customers. Cole Associates researched and identified the acquisition target, which was previously part of a €8 billion turnover European food group. Cole Associates also arranged the funding, from Centric Commercial Finance and project-managed the transaction. The leader of the MBI team is an experienced food sector executive.
