

## **COLE ASSOCIATES ADVISES ASH MANOR CHEESE COMPANY ON JOINT VENTURE WITH MILK LINK LIMITED**

**October 2011**

Manchester-based corporate finance advisers Cole Associates have advised the shareholders of Ash Manor Cheese Company on the terms of a joint venture with Milk Link, the £500 million turnover dairy group based near Bristol with operations throughout the UK.

Ash Manor Cheese Company, located on Wrexham Industrial Estate has traded for more than 20 years as a cheese processor, selling to food manufacturers, foodservice companies and food retailers. Continually investing in the most modern equipment and processes, Ash Manor is privately-owned and has exciting growth plans, enhanced by the new joint venture.

The terms of the joint venture mainly relate to the supply of cheese from Milk Link to Ash Manor but also include collaboration in other areas for the mutual benefit of both businesses.
