COLE ASSOCIATES ADVISES BOWDON GROUP ON ACQUISITION OF INTERFACE CONTRACTS LIMITED

David Middleton of Cole Associates Corporate Finance advised Bowdon Group on the acquisition of Interface Contracts Limited.

Interface Contracts is an electrical engineering business specialising in the water industry and water to energy biomass projects with a turnover of £20 million.

Based in Oldham and employing around 60 people, with a further 100 workers at any one time, undertaking work throughout the UK. Existing Managing Director, David Taylor and Operations Director Paul Mullender, are staying on as directors and Mike Brodrick has joined the business as Finance Director.

The acquisition significantly increases Bowdon Group's capabilities to deliver major projects. The Bowdon Group directors look forward to working with the Interface team as part of this exciting stage of the group's development.
