COLE ASSOCIATES SECURES GROWTH FUNDING FOR DISTRIBUTION COMPANY

August 2015

David Middleton, partner at Cole Associates Corporate Finance, secured working capital funding for John Raymond Transport, a long established distribution company.

The business was established in 1953 and is owned and run by the sons of the founder. The company specialises in UK Distribution and Warehousing solutions. It is headquartered in South Wales and has a second site in Staffordshire.

John Raymond Transport carries a wide variety of loads, ranging from fast moving consumer goods to building materials. The business has grown to have an annual turnover of more than £21m and has opportunities to grow further over the next 12 months.
